

Women Youth Apostles

TRUTH, FREEDOM, AND CARE

2020 RETREAT GUEST REGISTRATION

Our community's Annual Retreat is based on the Spiritual Exercises of St. Ignatius and informed by our charism which calls us to live in a deep, personal relationship with Christ, each other, and the young people we are called to serve. The retreat is partially silent. During the day there will be talks followed by times of personal prayer, as well as Liturgy of the Hours and Mass. Silence is broken at dinner and we meet in sharing groups during the evening.

Given the retreat's grounding in our charism and mission, as well as logistical constraints, priority in accepting guests will go to women who have an openness to committing to participate in the life of our community and/or have a deep love for serving young people in youth or campus ministry. We will contact everyone no later than February 6, 2020 to let you know if your registration is accepted. Thank you very much for your interest in joining us!
